Registration:

If you wish to attend, please send an email to jointmacro@gmail.com before May 31. Please specify if you would like to attend the lunch on June 5 (subject to limitation).

The Joint French Workshop in Macroeconomics

The goal of this workshop is to bring together European macroeconomists to discuss current research frontiers on a regular basis. To encourage participation from young economists, we aim to reserve at least half of the presentation slots for economists who have completed their PhD no more than 6 years before.

Applications from economists from all European institutions are welcome, in all fields of macroeconomics. Theoretical and empirical contributions are equally welcome.

The workshop is a one day event, and takes place twice a year. The next workshop should take place in autumn 2013. Funding is available for presenters.

Please send a mail to jointmacro@gmail.com if you would like to be included in future communications about this workshop.

Participating institutions

CREST, École Polytechnique, Paris School of Economics, Sciences Po, Toulouse School of Economics

Financial and logistic support

Fondation Banque de France pour la recherche en économie monétaire, financière et bancaire
